Date: Sunday, April 22, 2018, 10:32:29 PM GMT+8

Dear Dr Suriani,

As fellows of the prestigious L'Oréal-UNESCO For Women in Science award, we are extremely pleased to invite you to be part of the program again by being on the preliminary jury panel. As the award grows from strength to strength, over the last 5 years, we have received an overwhelming response in submissions.

With this in mind, we have decided to form a panel of the preliminary jury panel to evaluate the submissions in order to determine the top 24 submissions for our jury panel to evaluate. As preliminary jury panel, we would like you to help us to grade submissions via our online platform, that are most related to your field of expertise, not exceeding 50 submissions.

We hope you will accept this meaningful assignment to help us find the most deserving candidates such as yourself to receive this year's award. You will be required to complete your grading from **6th – 29rd June** via www.fwis.fr. Your valuable contributions will be mentioned in all our press releases and you will be invited as our VIP guests during the award ceremony on **October 25, 2018, 3 pm – 6 pm**, a venue in Kuala Lumpur has yet to be determined.

We hope to receive a favourable reply of confirmation from your good self. My contact details for further queries are: jean.loh@loreal.com or you can reach me on my mobile at 012 608 8192 or contact my colleague, Susan Koh at susan.koh@loreal.com / 012 377 7199.

Yours sincerely,

Jean Loh

Corporate Communications Director, L'Oréal Malaysia
